

Now approved

INLYTA® (axitinib) tablets is available for order through specific specialty pharmacies

HOW TO ORDER INLYTA

Option 1: Contact the specialty pharmacy directly

(See back for list of specialty pharmacies.)

Contact the specialty pharmacy directly to fill the prescription if one of the following applies:

- ▶ Your office knows the patient's specialty pharmacy
- ▶ Your patient knows that the specialty pharmacy is covered in his/her plan and that the pharmacy is in the INLYTA network
- ▶ Your office uses a specialty pharmacy that is in the patient's network

SPECIALTY PHARMACY ORDERING PROCESS

The provider's office

- ▶ Submits INLYTA prescriptions to the specialty pharmacy via:

PHONE

FAX

INTERNET

- ▶ Submits any supporting documentation to the payer

The specialty pharmacy

- ▶ Verifies the patient's coverage for INLYTA
- ▶ Helps with prior authorization if required
- ▶ Can help patients seek copay assistance
- ▶ Schedules shipment of product to the patient's home
- ▶ Bills the payer for the cost of the product
- ▶ Bills the patient for remaining copay/coinsurance

Option 2: If option 1 is not applicable, contact First Resource®

If you or the patient has questions or needs to determine the specialty pharmacy, call First Resource at **(877) 744-5675**. First Resource will direct you to your preferred specialty pharmacy.

The Pfizer First Resource program is designed to help eligible patients get access to the Pfizer medicines they need.

- ▶ First Resource helps insured patients find an appropriate specialty pharmacy
- ▶ For uninsured and underinsured patients, First Resource can provide eligible patients with free medicine for up to 12 months

INLYTA **WILL NOT** be available through traditional retail pharmacies.

First Resource® is a part of the Pfizer Helpful Answers® family of patient assistance programs—a joint program of Pfizer Inc and the Pfizer Patient Assistance Foundation™.
