

## EDUCATIONAL OBJECTIVES:

Upon completion of this program, the participant will:

- Apply advances and scientific and translational research in the care of their patients.
- List and assimilate the difficulties in interpreting data presented at scientific meetings.
- Enhance physician's ability to analyze speakers' conclusions at medical meetings.

## TARGET AUDIENCE:

This program is directed toward hematologists, medical oncologists, radiation oncologists, hematology/oncology fellows, pharmacists, advanced practice providers, nurses, and other healthcare professionals delivering care to cancer patients.

## STATEMENT OF NEED:

The American Society of Clinical Oncology (ASCO) Annual Meeting is respected as the preeminent venue to learn about the most cutting-edge scientific research in cancer today. Faculty from Michigan's comprehensive cancer centers will bring the most significant abstracts presented at ASCO's Annual Meeting to attendees in a concise, yet comprehensive, format. This symposium is needed to disseminate current information to practicing hematologists and oncologists and improve the overall standard of care and knowledge base. Participants will apply advances and scientific and translational research in the care of their patients, list and assimilate the difficulties in interpreting data presented at scientific meetings, and enhance physician's ability to analyze speakers' conclusions at medical meetings.

## ACCREDITATION STATEMENT

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the University of Michigan Medical School and the Michigan Society of Hematology and Oncology. The University of Michigan Medical School is accredited by the ACCME to provide continuing medical education for physicians.

The University of Michigan Medical School designates this live activity for a maximum of 6.25 AMA PRA Category 1 Credit(s)<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
