

ACTIVITY DESCRIPTION:

The knowledge explosion in cancer diagnosis and treatment demands that oncologists keep up with the latest evidence-based data. This one-day program will bring together faculty from Michigan's comprehensive cancer centers to disseminate current information to practicing oncologists and hematologists and improve the overall standard of care and knowledge base.

EDUCATIONAL OBJECTIVES:

Upon completion of this program, the participant will:

- Recognize relative biomarkers in the treatment and progression of cancer
- Implement new novel therapies being used in treating oncologic cancers
- Implement state of the art treatment approaches for treating cancer

TARGET AUDIENCE:

This program is directed toward medical oncologists, hematologists, radiation oncologists, hematology/oncology fellows, pharmacists, advanced practice providers, nurses, and other healthcare professionals delivering care to cancer patients.

STATEMENT OF NEED:

Oncology is a continuously evolving area of medicine and new developments provide tools for the physicians, scientists, and healthcare professionals to help with diagnosis and treatment of cancer. Continuing education is essential to study and evaluate new findings to inform practitioners of new clinical applications and to improve patient care.

ACCESSIBILITY STATEMENT:

Henry Ford Health provides qualified interpreters and other aids for Deaf, DeafBlind, and Hard-of-Hearing persons at no cost. To request assistance, contact Linda Raveau at lraveau@msho.org. Please allow a minimum of 3 days to process this request.

DESIGNATION/ACCREDITATION STATEMENT

Henry Ford Health designates this live course for a maximum of 5.5 AMA PRA Category 1 Credit(s)™. Physicians should only claim the credit commensurate with the extent of their participation in the activity.

Henry Ford Health is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

"This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Henry Ford Hospital and Michigan Society of Hematology and Oncology. The Henry Ford Hospital is accredited by the ACCME to provide continuing medical education for physicians."
