ARE YOU CARING FOR A PERSON WITH MEMORY LOSS?

Attend a virtual workshop series for help!

This Dementia Caregiving series is 3-session webinar for those caring for a person with dementia or Alzheimer’s. It assists with reducing caregiving stress by providing useful tools and information.

Learn how to:

- Understand basic information about dementia and its impact on brain function
- Communicate more effectively with someone who has dementia
- Recognize stages of dementia
- Provide meaningful daily activities based on your loved one's interests and abilities
- Better understand and address dementia-related behaviors
- Create a positive caregiving environment
- Learn strategies and benefits of self-care
- Build your network of support
