Attendee and Reporting Policy

This non-CME educational program is intended for US health care professionals with a bona fide educational need to receive the information. Friends, significant others, family members, and other guests of a speaker or invited attendees may not attend this program unless the attendee has an independent bona fide educational need to receive the information. Agios will not pay for, nor provide, alcohol in connection with this program. The value of any meals or items provided to program participants will be reported in accordance with applicable laws and regulations. Health care professionals from certain states or institutions that restrict health care professionals from accepting meals or other transfers of value from pharmaceutical companies must adhere to all restrictions and requirements imposed by the law and their institution. Meals are not permitted for any attendees participating virtually.

CME, continuing medical education.
