

Join your peers to learn more about KIMMTRAK[®] (tebentafusp-tebn)

Program Description

Join your peers to hear an expert's perspective on KIMMTRAK, where they will review the efficacy results, hypothetical case studies, and explore optimal management strategies to help ensure the safety and well-being of our patients.

This program is intended for licensed healthcare professionals. This is a promotional meeting sponsored by Immunocore, and it is not approved for continuing education credit.
