Pfizer is committed to supporting patients throughout their treatment journey. With Pfizer Oncology Together, patients prescribed a Pfizer Oncology medication can receive help identifying financial assistance options and be connected to resources that may help with some of their day-to-day challenges.

Pfizer Oncology Together can help healthcare providers by:

- Assisting with benefits verification, prior authorizations, appeals, billing and coding, and specialty pharmacy coordination
- Connecting them and their office staff to a Pfizer Field Reimbursement Director, (FRD), who can help address specific access and reimbursement issues—in person or over the phone
- Offering and assisting with online portals that provide registered users with access and financial assistance resources

Pfizer Oncology Together can help patients by:

- Connecting them with financial assistance resources—regardless of their insurance coverage
- Providing personalized support from a Pfizer Oncology FRD who can help identify resources and organizations that may provide additional assistance

Please visit **PfizerOncologyTogether.com** for more details or contact your local FRD to learn more.

Pfizer Oncology Together provides financial assistance resources and personalized support to help patients access their prescribed Pfizer Oncology medications.
