

2026 Michigan Medicine Cell Therapy Symposium

ROGEL CANCER CENTER
UNIVERSITY OF MICHIGAN HEALTH

Saturday, June 20, 2026

9:30 a.m. - 3:00 p.m.

Sheraton Hotel Ann Arbor, MI

CME accredited

We are happy to host the annual Michigan Medicine Cell Therapy Symposium this year at the Sheraton Hotel in Ann Arbor.

The full-day conference will focus on the full spectrum of cell therapy, from best standards and practices to managing toxicities and side effects. The program will feature University of Michigan faculty members and external speakers, with ample opportunities for discussion and interactions.

At the end of this activity, medical professionals will be able to use best practices and standards of care in cellular therapy treatments. As well as apply evidence-based medicine to manage toxicities and side effects.

This activity is appropriate for: House Officer, Nurse, Nurse Practitioner, Other Healthcare Professional, Pharmacist, Physician, Physician Assistant, Physician Fellow, Physician Resident.

In the fields of: Hematology/Oncology, Medical Oncology.

Accreditation and Credit Designation

The University of Michigan Medical School is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The University of Michigan Medical School designates this Live Activity for a maximum of 3.75 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
